SPECIAL FILMING CONDITIONS
5253 AND/OR 5257 WEST ADAMS BOULEVARD

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

This site is a club at the northeast corner of West Adams Boulevard and Cloverdale Avenue. Immediately to the north of this location, Cloverdale Avenue contains houses and duplexes, and dead ends into the freeway. Because this street dead ends at one end and at the other end opens on to a street with parking restrictions (Adams), residents who need to park in the street have no reasonably convenient parking options when film companies post this portion of Cloverdale Avenue. Consequently, the following conditions will apply to all future permits at this or nearby locations:

- **Affected residents/merchants/businesses within 500 ft. of any filming activity (including production equipment parking, cast/crew parking, or catering) must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation**. *The notification area is to include both sides of Cloverdale Avenue from Adams Boulevard going North to dead end and both sides of Adams Boulevard from Redondo Boulevard to Cochran Avenue.*
- **Production companies may not arrive in the area prior to 7:00 a.m. and depart no later than 10:00 p.m. unless approval is obtained from FilmL.A. and the approved times are noted on the permit.** Permit requests must be submitted to FilmL.A. at least three (3) days in advance.
- **Cast and crew may not park on area streets.** Off-street parking must be provided for all personal vehicles.
- **Equipment parking and posting shall be limited to the north side of Adams Boulevard from Redondo Boulevard to Cloverdale Avenue and the east side of Cloverdale Avenue from Adams Boulevard north to the alleyway (approx. 50').** *No Parking in front of school on the north side of Adams Boulevard. No Parking in the red zone on the E/S of Cloverdale Avenue. Companies requesting posting/parking are also required to have at least one off-duty (active) LAPD officer assigned.*
- **Generators must be shielded and should be located in areas of minimal disturbance. Generators may not be parked in alleyway directly behind filming location.**
- **Craft services, catering trucks, food preparation tables and dining tables are prohibited on sidewalks or parkways and must be out of public view.**
